

The Lobster Pot Team Challenge

At the Hyannis Triathlons
(June 10 & Sept. 9, 2023)

Is your team or club ready to capture
the **2023 Lobster Pot Trophy**?

We're again holding *two* club competitions this year: at *each* of the Hyannis Triathlons. Bring six or more members of a team (triathlon/cycling/running club, college, youth or other organized team) and give it your best shot!

The winning team brings home the **Lobster Pot Trophy** — plus wins free entries to future races. Prizes for the second and third teams, as well!

June 10th's race has been designated USA Triathlon's Massachusetts Club Championship! It's also USAT's Age Group Championship for both Sprint and Olympic — as well as USAT's High School Championships!

RULES

- Separate competitions for Age Group teams and College/Youth teams
- Athletes racing in the Sprint, Olympic, Age group, Aquabike, Duathlon or Aquathlon categories are eligible
- Team members must enter their team/club name when prompted during registration
- Athletes race as individuals, and are still eligible for overall/age group awards
- Teams must have at least six athletes total
- Each team must designate a representative for communications with NEEE staff

NEW SCORING FORMAT

- Every athlete will score points for their finishing place in their age groups
 Ex: 1st place = 1 point, 12th place = 12 points,
 34th place = 34 points
- All points will be added and averaged for a final score
- Team with lowest average score wins
- **Bonus:** Up to two additional points will be awarded for race-day volunteers

PRIZES

- **Lobster Pot Trophy** to both the Age Group Club and College Club winners
- Also: winning team receives **5 Race Entries** & NEEE gear to distribute to team members
- 2nd Place receives **3 Race Entries** and cool swag
- 3rd Place receives **1 Race Entry** and cool swag
- An *additional* award to the top team — from USA Triathlon!
- Dedicated bike racks for *any team* of 6 or more (if registered 2 weeks in advance)

Stay out of hot water...
Keep training!
